EDUCATION

LNCTS, Lakshmi Narain College of Technology & Science, Bhopal 2023-2027

Perusing B.Tech – Computer Science and Engineering

High School:

10th CBSE board – 90%

12th (PCM) CBSE board – 82%

COURSEWORK / SKILLS

Programming Language – C, C++, Data Structures and Algorithm, OOPS

Web development:

Front-end: HTML, CSS, JS, React Js

Video Editing: created many projects for school and college clubs

PROJECTS

[Portfolio Website](#) | [ReactJS](#) | [Source code](#) | [Live Website](#) 2025

- Built a modern, responsive portfolio using React.js and CSS3 with animated coding workspace, real-time weather, and daily quotes.
- Added smooth scroll, dark/light mode toggle, project filters, and mobile-first design for all device types
- Integrated EmailJS (contact form), weather API (location-based data), and React Router (SPA navigation).
- Followed React best practices with clean, component-based architecture and custom CSS animations.

[2048 Game](#) | [HTML, CSS, JS](#) | [Source code](#) | [Live Website](#) 2025

- Developed a fully responsive and interactive clone of the classic **2048 game**, playable on both desktop and mobile devices.
- Implemented **core game mechanics** such as dynamic tile merging, score tracking, and random tile generation using JavaScript.
- Added **touch gesture support** for mobile users, enhancing accessibility and user experience
- Designed an intuitive UI/UX with **dark/light mode toggle**, engaging tile animations, and visual feedback using CSS transitions.
- Applied **modular code practices** and event-driven programming to manage gameplay logic and interface updates.

CERTIFICATONS

- **NEC '24 Basic Track – Finalist** NEC '24 Basic Track – Finalist, E-Cell, IIT Bombay E-Cell, IIT Bombay Issued Mar 2025 Issued Mar 2025. Credential ID ecell2021.
- Received Certificate for Participating in National Science Olympiad, 2025.
- Data Structures and algorithm by Coursera
- JavaScript Essential by Cisco Networking Academy

EXTRACURRICULAR ACTIVITIES

- Karate: Blue belt, district Bronze medalist, State player.
- Sports: part of cricket interschool team, Badminton player at college level.
- Good communication skills: won many debate conditions and good speaker
